

**CISCO SYSTEMS**  
BERLIN, NEUES KRANZLER ECK

AUKETT + HEESE were commissioned with the design and execution of Cisco Systems' Berlin office Headquarters; a 2.500 sq.m. leasehold in the Kranzler Eck Development designed by Helmut Jahn.

The space is divided into two: for Clients and Cisco staff, with seven well equipped conference rooms.

AUKETT + HEESE were responsible for the fit-out package including space-planning, furniture and colour and graphic concept.

Completion: December 2000
