

## NIKETOWN MEGASTORE

Berlin, Tauentzienstraße 7 b/c

AUKETT + HEESE GmbH were commissioned by NIKE to design their first European Flagship Store in Berlin. As general planner AUKETT + HEESE's services include design, planning, co-ordination and construction supervision.

NIKE's product range is presented over an area of 4200 sq.m. Individual sports pavillions are grouped around the central double height "Townsquare". The merchandise is delivered to the customer by means of 15 "shoetubes".

An A/V System product information and atmosphere as experienced at world class sports events.

Completion: April 1999
